

GOING FISHING!

Mr. emptywheel and I are headed to DC so McCaffrey the MilleniaLab can attend a very important Furrin' Policy Summit with Kobe, Katy, and Lucy (oh, and so we can go to a wedding or some such rot). The emptywheel pack is going to play around in the mud together for a couple of days on the way back. And mr. emptywheel has requested (well, demanded, and who can blame him!?!?!?) that I leave my Toobz behind. So aside from the possibility of some puppy porn while we're in DC, don't expect to hear from me (and I mean it, this time) until next Tuesday.

Have a great weekend!!
