

ONE CORRUPT LAWYER DISBARRED

An entire party full of corrupt lawyers yet to be disbarred.

A three-judge panel on the D.C. Court of Appeals stripped Libby of his ability to practice law after he was found guilty last year of obstructing the investigation in the CIA leak investigation, WTOP radio reported.

Next up, Alberto Gonzales? Harriet Miers? John Yoo? David Addington?

(I suspect Mary has a prioritized list in her back pocket...)
