

# AN NEW KIND OF INTIMIDATION

It seems that the former partner of Mike DeWine (DeWine is co-Chair of the McCain team in OH) is asking for the voter registration cards of everyone in Greene County, OH, who voted during golden week:

Greene County Sheriff Gene Fischer and representatives of County Prosecutor Stephen Haller have contacted the local Board of Elections asking for the voter registration cards of everyone who voted during the six-day window, which ended Monday.

But I'm sure Sheriff Gene Fischer has a good reason to do this, honest.
