

TRASH TALK - 2009

NCAA BOWL EDITION

Hey, it turns out we have a New Year going here! Happy New Year to yours, mine and 2009. 2008 basically sucked on a lot of important fronts, but it did lay the groundwork for hope. But that is the serious stuff, right now we got some college football to play. Who is your team, and who are they going to beat in what bowl? Since ASU didn't quite make the grade this year (that is an understatement) I will have to roll with the USC Trojans. Michigan is nowhere to be found either, so EW is going to have to pick a horse. Will it be Traveler and the Trojans??

Now I really like JoePa and the Nittany Lions, but they have a problem. They went and joined the Big 10. You simply cannot do that and expect to beat USC (or anybody else in the PAC 10 for that matter) in a bowl game. Especially the Rose Bowl.

Here is a list of all the bowl games. Hoot, holler and trash it up please. You owe it to yourself and all of us!
