

# **HOLDER VOTE IN SJC NOW**

There won't be any news in today's vote. Specter has cast his yes vote, Hatch is babbling on while making it clear he votes yes, too. And Leahy is just laughing about it, saying, "babble on, I know I'm going to win." (Okay, he didn't use the word, "babble.")

But in case you're interested here's the committee stream.

17-2 vote in favor of confirmation. One of the no votes was Cornyn. Not sure of the other—I think maybe Coburn?
