

ON THE WISDOM OF KEEPING UP OFFENSIVE PRESSURE

As we hear about how heroic this victory was over the next few days, remember what went into it: first, superior fitness. Thankfully these women did not rest on their reputation for greatness, but instead put in the hours of training to make sure that if they had to, they could beat one of the best teams in the world a person down.

And just as importantly? Offensive pressure. Relentless, fearless, offensive pressure.

Good luck, women!
