

A TOUCH TO MUCH OF DOJ POLITICIZATION: ROSENSTEIN ABOVE BRAND

I have been somewhat beyond stunned at the Emm
Ess Emm rich to yammer and bloviate about the
necessity of Rod Rosenstein to “recuse” because
he is “conflicted”.

It is a stupid load of nonsense. First off, the
discussion appears to be lead by media voices
that would no know actual criminal law if it hit
them in their bloviating ass. But, hey, they
have a voice, right? Sure. Thing is, it ought be
for the informed and intellectual, not the idiot
reactionary adverse.
