

UPDATED MUELLER DOCKET CENSUS: WE STILL DON'T KNOW WHAT 6 PROSECUTORS ARE DOING

With each development in the Mueller investigation, I've been tracking which of Mueller's 17 prosecutors show up on which dockets, as a way of understanding how little we know about the case. This post updates what we know given Friday's events (I've also updated the numbering and am only counting someone actually named on a given docket, with the James Quarles exception since obstruction involving the White House may be the last or least likely to be docketed).

Manafort docket:

- Andrew Weissmann (1)
- Greg Andres (2)
- Kyle Freeny (3)

Papadopoulos docket:

- Jeannie Rhee (4)
- Andrew Goldstein (5)
- Aaron Zelinsky (6)

Flynn docket:

- Brandon L. Van Grack (7)
- Zainab Ahmad (8)

Obstruction docket:

- James Quarles (9)

Internet Research Agency docket:

- Jeannie Rhee (4)
- Rush Atkinson (10)

- Ryan Dickey (11)

Richard Pinedo docket:

- Jeannie Rhee (4)
- Rush Atkinson (10)
- Ryan Dickey (11)

Still unaccounted for:

- Aaron Zebley (12): probably working on coordinating SCO activities
- Michael Dreeben (13): appellate wizard
- Adam Jed (14): appellate specialist
- Elizabeth Prelogar (15): appellate specialist and Russian speaker
- Scott Meisler (16): appellate specialist
- Mystery prosecutor (17)
