15 months into Mueller, I'm still not convinced Trump understands the depth and breadth of obstruction investigation, the threat it poses and the issues his own public statements (and tweet) have created for him.

.@JudgeJeanine "Bob Mueller, isn't your whole investigation premised on a Fake Dossier, paid for by Hillary, created by a man who hates Donald Trump, & used to con a FISA Court Judge. Bob, I really think it's time for you to give up your phony investigation." No Collusion!

15 months into Mueller, I'm still not convinced Mike Schmidt understands the depth and breadth of conspiracy investigation, the threat it poses to Trump, and the issues Schmidt's own public statements (and tweets) repeating White House spin claiming obstruction is the main risk have created both for the public's understanding of the inquiry and Schmidt's credibility as a journalist.

As I disclosed last month, I provided information to the FBI on issues related to Mueller's conspiracy investigation, so I'm going to include disclosure statements on Mueller investigation posts from here on out. I will include the disclosure whether or not the stuff I shared with the FBI pertains to the subject of the post.
