ADDER – 12:58 P.M. ET –

Worth reading or re-reading: Michael Luttig published an op-ed in CNN on April 27 this year, Opinion: The Republican blueprint to steal the 2024 election which contained this warning:

As it stands today, Trump, or his anointed successor, and the Republicans are poised, in their word, to “steal” from Democrats the presidential election in 2024 that they falsely claim the Democrats stole from them in 2020. But there is a difference between the falsely claimed “stolen” election of 2020 and what would be the stolen election of 2024. Unlike the Democrats’ theft claimed by Republicans, the Republicans’ theft would be in open

defiance of the popular vote and thus
the will of the American people: poetic,
though tragic, irony for America's
democracy.
