

ELMER STEWART RHODES FOUND GUILTY OF SEDITIOUS CONSPIRACY

The verdicts are starting to come in on the Oath Keepers verdicts. The topline verdict: the jury found Elmer Stewart Rhodes and Kelly Meggs guilty on the seditious conspiracy count. The other three defendants – Ken Harrelson, Jessica Watkins, and Thomas Caldwell – were found not guilty on that charge.

All five defendants were found guilty of some kind of obstruction, though not always as part of a conspiracy.
