

# IS THE TIME OF KEISHA LANCE BOTTOMS NOW?

Of all the Democrats on a national platform over the last few days, including Joe Biden, who has not been bad at all, Keisha Lance Bottoms stands above.

# WILL ROGERS WAS RIGHT ABOUT THE DEMOCRATS

Here are a couple of quotes from the inestimable Will

Rogers. They were made so long ago, and are still so spot on correct:

“I’m not a member of any organized political party... I’m a Democrat.”

“Democrats never agree on anything, that’s why they’re Democrats. If they agreed with each other, they’d be Republicans.”

Both are still so evidently true. Watching this morning’s “impeachment hearing” makes me want to puke. It is one of the most incompetent shit shows in history. The House Democrats, as led by Nancy Pelosi, and in this case Jerry Nadler too, could not legally litigate or argue their way out of a thin and wet paper sack. It is seriously pathetic and embarrassing.

Daniel Goldman is a tad better than Nadler and Barry Berke were, but the format is still ludicrous.

Probably we should talk about Hunter Biden more. Because members of corporate boards are NEVER hired for their names as opposed to expertise. Maybe cross-reference Theranos, but whatever.

Pelosi and Nadler have turned impeachment into such a craven shit and clown show that it is unbearable.

At least 75% of Americans are being erased if they haven’t been already by the remaining uppermost deciles. You, too, are probably erased by the plutarchy.

# **A FEUD FOR FUN AND PROFIT**

None of the internecine squabbling between House Democrats' factions gets them any closer to doing what the 2018 Blue Wave told Democrats needed to be done. When will House Dems pull out of their navel-gazing spiral?
