ABOUT THAT FBI SPECIAL AGENT IN CHARGE

Remember FBI Special Agent in Charge Dan Dzwilewski? He's the guy that led the Cunningham investigation on the FBI side. He's also the guy who shared his candid opinions about Carol Lam's firing:

"I don't think it's the right way to treat anybody. What's the decision based on?" Dzwilewski said. "I don't share the view of whoever's making the decision back there in Washington that they'd like her to resign."
