

JOHN DURHAM FLEW TO ITALY TO GET JOSEPH MIFSUD'S BLACKBERRIES BUT NEVER WALKED ACROSS DOJ TO OBTAIN JAMES BAKER'S PHONES HE FORGOT HE KNEW WERE THERE

Two years ago, John Durham claimed he knew better than Michael Horowitz about the predication of the Russian investigation because he had done things like obtain Joseph Mifsud's outdated phones. Three days ago, Durham admitted he had never bothered to look for the phones of his single witness against Michael Sussmann.
