

# WHEREIN DC SIR LANCELOTS TURN THEIR TAIL AND FLEE LIKE CANDYASS SIR ROBINS

Attention Americans:

Those brave elected and appointed representatives who represent YOU in the Federal Government are fleeing! Well, granted, I guess that doesn't really account for the elected members of Congress who have been diddling and twiddling their thumbs, among other things, for a while now in order to suck at the tit of corporate cash, while doing nothing for you on the record at their elected jobs (no, Darrell Issa's dog and pony show doesn't count) and throw it around to perpetuate a fraud on you.

But, as they say in movies, that is something completely different.

No, here is the notice I take just a little umbrage with:

Non-emergency employees (including employees on pre-approved paid leave) will be granted excused absence (administrative leave) for the number of hours they were scheduled to work unless they are:

required to telework,  
on official travel outside of the Washington, DC, area,  
on leave without pay, or  
on an alternative work schedule (AWS) day off.

Telework-Ready Employees who are scheduled to perform telework on the day of the announcement or who are required to perform unscheduled telework on a day

when Federal offices are closed to the public must telework the entire workday or request leave, or a combination of both, in accordance with their agencies' policies and procedures, subject to any applicable collective bargaining requirements.

Emergency Employees are expected to report to their worksites unless otherwise directed by their agencies.

As friend of the blog, Timothy Shorrock, noted:

No government Monday. A state of anarchy will reign!

I'm with Tim, we are all SO SCREWED!

Okay, and I'm going to take a flyer that Mr. Shorrock agrees, the nation may not only survive, but actually prosper without the usual cabal of corrupt con men and bloodsuckers that generally run things in Washington DC on a "normal" day. Call me crazy, but I am going out on that limb.

Here is my issue: They are all bozos on that bus. Pretty much all of the NOAA, CNN and other data intensive models have been predicting this likely Sand path for days.

Our Men in Havana, er, I mean men and women in DC, are just figuring this out now??? Perhaps the usual rhesus monkey brains were otherwise occupied still figuring out the Administration's housing policy.

And, look at the directive. What does it really say? That the poohbahs suggest common workers, just being notified a couple of hours before they go to sleep, do what they were already doing, or already had the option to do, and work from home. For any others unable to do so, the suggestion is they take leave.

In short, the real backbone of the federal government, the regular workers, are being

treated in a tardy and tawdry manner.

By the 1% MOTUs. Shocking, no?

So, while the politicians who are not already cravenly out of town on your dime are absent, even the remaining Knights of The Pinhead Table run like crazed Sir Robins.

Ain't that America?

Uh, yeah, so tomorrow will be different from exactly what other day you federal jackasses??

Because, Congress, the DOJ, the SEC, the FEC, the NLRB, and all the rest, BEFORE SANDY, were soooooo totally responsive to the needs and desires of their constituents.

On a serious note, this hurricane is pretty clearly a grave matter for human safety. Care SHOULD be taken. The projected damage had the DC/Eastern Virginia/Maryland area in the cone of danger in nearly every projection.

The federal government waited until now to tell regular workers, the real backbone of our functioning government to, paraphrasing "stay at home if you have that already available, or otherwise work as best you can.

That is loathsome from a leadership of cowardly and craven Sir Robins. And, on the remote chance you do not understand what a "Sir Robin" is, watch the video.
