

DALLAS TRASH TALK

That's right mofo's, we gots us a full on food fight here on the Emptywheel blog.

What's it all about? Well, when you get down to it, it is ALL about Dallas.

No, I am not talking about J.R. Ewing (and who shot him – psssst it was Bing Crosby's daughter), Bobby Ewing, Sue Ellen, Pamela, Christopher or John Ross. No, I am not talking about *that* Dallas. Although, I would like to note, the New Dallas premiers on TNT channel on June 13th and, all things considered, it looks very appropriately oily and greasy just like the original Dallas. And, I have to confess, I *loved* the original Dallas. In fact, my roommates and I had the most awesome tux & tails "Who Shot JR" party you can imagine when I was in graduate school in Boulder. It was a certified event in the Boulder social scene of the day. The trailer for the New Dallas is to the right. Get used to it, there is likely to be more of this!

But that is NOT the Dallas I am talking about here today. Oh no. No, the Dallas I am talking about here and today is Dallas Escobedo. Most awesome champion pitcher for the Arizona State University Lady Sun Devils.

That would be the Defending NCAA Champion ASU Sun Devils. Thank you very much.

And, as luck would have it, Dallas and the Devils are back in the hunt for the 2012 College Softball World Series. Tonight they play their first 2012 Super Regional game against Louisiana

Lafayette at – oh wait – that would at Alberta B. Farrington Stadium; conveniently the home of the Lady Sun Devils!

So what about the Emptywheel blog food fight?? Oh, well, you see we now have this SEC interloper guy, Jim White. Honestly, it was distressing enough that I had to share time with an itinerant Big-10, Big-10.2, Big-10.2.5 – hell whatever – woman, but now the Gators are representing?? Well, I just don't know anymore.

If you are from Alabama, do NOT troll this post! You see, the Crimson Tide (another criminal SEC team!) is, as we speak, playing the Michigan Wolverweenies in another Super-Regional. This is REALLY painful for me. Go Big Blue!

This post will keep reappearing on top of things so long as the Real Dallas, Escobedo edition, and the Lady Devils keep winning. ASU Baybeeee!
