

WILL THE GOP DEMAND RON JOHNSON BE STRIPPED OF COMMITTEE ASSIGNMENTS FOR IGNORING A DEFENSIVE BRIEFING?

According to the GOP, Eric Swalwell should be stripped of his committee assignment because he received an FBI briefing that he was being recruited by a Chinese spy. They argue that even though after the warning, Swalwell cooperated with the FBI and had nothing to do with her again. But by Ron Johnson's own admission, when he got a similar briefing, he blew it off.
