

THE J6 COMMITTEE PROVES THEMSELVES TO BE SUSPECT MEDIA WHORES

Well,
here
it is.
J6
Chairm
an
Bennie
Thomps
on,
clearl
y
fueled

by Liz Cheney, is going to do one of the dumbest things ever.

A "criminal referral" from this Committee means absolutely nothing. The DOJ will prosecute individuals and/or entities on their own. "Referrals" from Thompson, Cheney and the J6 Committee mean less than nothing legally.

It is noise. It is garbage. And worthless except for preening J6 members. They are proving themselves to be the infomercial jokes they are.
